## NOTE OF EXPLANATION

For over fifty years, CISV has worked to increase cross-cultural understanding among the children and youth of the world. Thousands of young people have been transformed by personal experience through CISV's multi-cultural educational programmes. Since the first Village in 1951, CISV volunteers have worked to provide healthy and secure opportunities for our participants to learn about the world and themselves. We are proud of our results and work hard to earn the trust of parents who allow their children to participate in CISV.

Although the health and safety of all CISV participants is of great importance to the world-wide network of volunteers that make the CISV programme possible, in recent years, the cost of property and liability insurance has increased steadily despite our risk management programme.

In order to ensure the continued operation of its programme, CISV International requires a liability release as a condition of participation. For this reason, in order to participate as a CISV delegate, a parent or legal guardian of all youth participants under the age of 21, must sign a Legal Release & Responsibility to Pay for Damage (contained in the YLIF and TWAL). All participants age 16 or older, including all leaders and staff, must also sign the Legal Release & Responsibility to Pay for Damage (contained in the TWAL or ALIF).

Although CISV will work to maintain liability insurance for the benefit of non-participants, including schools and other institutions that provide facilities for our programmes, we believe that this release, together with our on-going risk management efforts, will limit the impact of rising insurance premiums on our ability to offer the CISV programme in countries around the world.

Our risk management efforts now include the provision of the CISV International Travel Insurance for all those participating in our international programmes.

If you have any questions about the Release, please discuss them with a CISV representative before signing.
